

Objectif: J'identifie et j'effectue des opérations dans des situations variées. (1.3.1.) 😊 😐 😞

## L'addition et la soustraction - Le tour en bus

1 **OBSERVE** bien les situations proposées. **DESSINE** le nombre de passagers qu'il y aura dans le bus à la fin du tour (ou **COLORIE** les vitres qui seront occupées). Puis, **RACONTE** l'histoire et **ECRIS** le calcul correspondant.
